---

This absolutely stunning open plan apartment with panoramic beach and sea views has 2 bedrooms and 2 bathrooms with sliding doors that open fully into the walls leading access to the large terrace looking out to the sea. There is a bespoke designer guest powder room with a custom designed kitchen with granite bench tops, splash backs and dining island. Fully integrated Siemens kitchen appliances and refrigerator, wine fridge and clothes washer/dryer. The purpose manufactured sliding door system to the terrace, designed to maximise indoor / outdoor living and to enhance the panoramic beach and sea views is an exquisite feature of the property. There is a security entrance with day time concierge, community pool within 10 metres of Oasis Beach. Private underground secure parking with one parking space and large storage unit, with lift access to apartment. Air conditioning and heating system installed with a wall mounted and integrated Samsung 65" TV with programmed remote control system. There is also a fully integrated Demotics Sonos music distribution system with in-ceiling installed speakers throughout. Installed is Internet, PayTV and WiFi enabled and connected. For those that want to live in luxury on the beach in the most affluent area of Marbella, this is a must see apartment. Custom designed furniture throughout including selected and commissioned artwork throughout.
